

FOSSILS: Viagra, snuff, and Rock n Roll

What would happen if your old granddad became Great Britain's hottest new pop idol? What started out as a bit of fun for four elderly musicians; has now escalated in a worldwide media hunt to track down an elusive boy band. To avoid being hounded by the press and adoring fans, the geriatric rockers flee to Southeast Asia, unable to return home until things can be resolved. While touring the mystical orient, they discover a new and carefree way of life that they enjoy to the fullest. Will they all make it home? Viagra Snuff and Rock n Roll
