

# An Introduction to Stock Exchange Investment

This is a new edition of Janette Rutterford's classic textbook on the principles and practice of stock exchange investment. Fully updated to take account of all practical, technical and legal developments since the last edition was published, the book is now enhanced by a range of student-friendly features. The focus remains on the London Stock Exchange, but a global perspective is adopted where appropriate. Companion Website: <http://www.palgrave.com/business/rutterford/>
