

iPhone 3GS - How Anyone Can Make Money With iPhone Apps: iPhone Apps: How To Make Money - With No Experience and No Programming Knowledge Whatsoever

Who Else Wants To Be An iPhone Multi-Millionaire? Suitable for ANYONE who has access to a computer, anywhere in the world! This book shows you how, with no experience and no prior knowledge, you can be the next person to sit back and receive a huge monthly income from Apple - just from iPhone apps. There's no experience and no knowledge required - the insider who supplied all our information tells all - and tells it in a simple, straightforward way which anyone over the age of 12 can easily follow. This book will explain to you just what an iPhone application is and how you can use it to make money. And if you can't design an application - no problem! You are clearly shown how to get other people to do it for you, for no money upfront. There's also a fascinating section on how to get your new app well known, worldwide - for only \$15 - simply and easily. Your first payment, direct from Apple, could be in your hand next month if you order today!

iPhone 3GS How Anyone Can Make Money With iPhone Apps Note: This is a walk-through of my experience creating my first iPhone app by hiring a developer.
