

Irresistible Italy

We have always had a love affair with Italy - the food, the people, the language, the wine! We thought it was time we shared it with others. Bill and Patsy Rowe take you on a fun journey of the senses in this beautifully designed book. Packed with full-colour photographs, mouth-watering recipes, anecdotes and travel stories, this book will delight both the new and seasoned Italophile. With over 50 recipes, this book brings Italy into your home as you tour the country, savouring the taste of home-grown fruit, freshly made cheese, authentic seafood and, of course, pasta.
