

# Italian Wine Certification Course Syllabus: Vinality International Academy

The Vinality International Academy (VIA) Syllabus is intended as a short guide that will take you on a journey through the history of Italian wine describing its geographical characteristics, the different grape varieties that are characteristic to Italy as well as the Italian wine denominations. This edition is dedicated to the first graduating class of VIA Certification Course that took place in Verona in April of 2015, but also to anyone who would like to have a jump-start to the orientation of the VIA certification programme in general. For additional information about VIA, please consult our website
