

Ive Got Senses!: Senses Books for Kids: Early Learning Books K-12 (Baby & Toddler Sense & Sensation Books)

Help your child understand what his/her senses are with this easy-to-remember informative book. Deserving of a place in your mini-library, the book kicks off with a description of body parts before moving on to each sense. Absorption of information is made easy through a written description followed by a themed picture. Learning is made much more fun and effective with this colored book. Buy a copy today!
