6487042, \$16.95,amazon.comThere is an
ever growing library of memoirs and
biographies of professional football
players. What is far more infrequent is a
candid memoir penned by the wife of a
professional football player. Football Wife:
Coming of Age with the NFL as Mrs. Karl
Kassulke is an exceptional example of just
such an autobiography. Jan Adams
sometimes brutally candid memoir is a
superbly written account by an
extraordinary woman in her own right.
Adams had a twenty-five year career as a
physician who in the1990s accompanied
Dr. Patch Adamson a tour through Russian
hospitals, orphanages, nursing homes,
refugee camps, and more. Perhaps her
crowning professional achievement was
founding Marias Children International, a
nonprofit organization dedicated to
providing art supports and funding to more
than 600 Russian orphans, as well as
similar projects in Mexico. But while her
professional career was exemplary, her
marriage to Viking NFL player Karl
Kassulke (whom she met playing
powderpuff football) was not. Football
Wife is a story that incorporates drug
abuse, alcoholism, marital infidelity, the
impact of the cult of personality. It is also a
personal history of a series of medical
problems that began when Adams suffered
a head injury in a traffic accident in 1985;
spinal problems and a paralyzed leg in
2002; an undiagnosed severe illness in
Russia in 2007 only to be followed by a
diagnosis of cancer later that same year;
reconstructive foot surgery in 2010; and the
necessity of a pacemaker installed in 2011.
In Football Wife the reader is informed of
the good times and the bad times, it is an
remarkable account of struggle, failure, and
ultimate redemption. A gripping read from

beginning to end, Football Wife is deftly written, keenly insightful, occasionally inspiring, the singular life of a singular woman, and especially recommended reading for anyone struggling with familial issues complicated by medical traumas, and impacted by celebrity, success, and the siren call of hubris. Additional information - The compelling, funny, and poignant story of the unlikely marriage of a pro football player and an aspiring doctor. Jan Thatcher, a wide-eyed Iowa freshman coed, met Karl Kassulke in 1962 at Drake University in Des Moines, Iowa, where he was a football hero about to enter the world of NFL football. Told from Jan's perspective, Football Wife is set in a time when America was rapidly changing from conservative to free wheeling, from closet alcoholism to an awakening to the consequences of alcohol abuse. All the while, the sexual, racial, and women's revolutions were raging. A true story told with memories of love and compassion, its cautionary message offers hope to anyone struggling with destructive issues in their relationships.
