

## Jays Journal of Anomalies : Conjurers, Cheats, Hustlers, Hoaxsters, Pranksters, Jokesters, Imposters, Pretenders, Side-Show Showmen, Armless Calligraphers, Mechanical Marvels, Popular Entertainments

A dazzling tour through the world of singular entertainers, con men, and unusual phenomena. For the past four years, the multitalented Ricky Jay (sleight-of-hand artist, author, actor, film consultant, and scholar of the unusual) has published a unique and beautifully designed quarterly called Jays Journal of Anomalies. Already a coveted collectors item, the complete set is gathered here for the first time. A brilliant excursion into the history of bizarre entertainments, the journal covered such subjects as dogs stealing acts from other dogs, an anthropological hoax involving the only survivors of a caste of ancient Aztec priests, and the ultimate diet: ingesting only air. In a delectably deadpan and winning style, Jay conveys his admiration and affection for the offbeat that characterized his bestselling *Learned Pigs* and *Fireproof Women*. He explains how wags since the sixteenth century have cheated at bowling; he explores the ancient relationship between conjuring and dentistry; and he chronicles the exploits of ceiling walkers and human flies. Crammed full of illustrations drawn from the authors massive personal archive, Jays Journal of Anomalies will baffle, instruct, and, above all, delight.
