

Comprehensive Explanation of Holy Baptism and the Lords Supper

Begun the same year he started work on his renowned dogmatics, the *Loci Theologici*, Gerhards *A Comprehensive Explanation...* is a masterpiece in its own right. In 67 chapters (31 for Baptism, 36 for the Lords Supper), Gerhard examines issues which are of vital importance today: Who may officiate at a Baptism, or celebrate the Lords Supper? May substances other than bread and wine be used in the Lords Supper? What is the proper preparation for receiving holy communion? May Baptism be repeated? Is immersion necessary for a valid Baptism? All these questions (and many more) are answered by Gerhard on the basis of Holy Scripture. Gerhards profound knowledge of the Scriptures makes this volume a wonderful resource.
