

## The Penguin Book of Journalism: Secrets of the Press

Stephen Glover gives the inside story on the world of journalism from commissioned pieces by the leading luminaries, editors, hacks, politicians and power players of journalism; men and women, gossip columnists and news editors, high and low. The pieces vary widely in theme: from how it is to work as a foreign journalist abroad, to the art of door-stepping, in between considering who makes money out of journalism or telling tales of notorious liquid lunches.
