

Judicial Process in America (Tenth Edition)

Known for shedding light on the link between the courts, public policy, and the political environment, the new ninth edition of *Judicial Process in America* provides a comprehensive overview of the American judiciary. Considering the courts from every level, the authors thoroughly cover judges, lawyers, litigants, and the variables at play in judicial decision making. This remarkably current revision will only solidify the book's position as the standard-bearer in the field.
