

Just in Time! Pastoral Prayers in Public Places

Ready-to-use prayers for community and civic occasions. The Just In Time! series offers brief, practical resources of immediate help for pastors at an affordable price. Part of a pastor's role in the community is to pray publicly. The pastor is often the official pray-er at all kinds of community events--the high school football game, the opening of the new grocery store, the county school board meeting, kindergarten graduation--to name a few. But the pastor must also pray knowing that there are believers (of many persuasions) and non-believers present. In addition to the prayers in this book, there are brief setting descriptions and Scripture references. These prayers can be used with little or no adaptation. Sample prayers: Graduation: O God, Author of all wisdom, Giver of all truth, Seeker of all servants, we thank You for the times of life that mark Your continuing goodness. We are grateful for these believers, young in their faith and early in their journey, who have been open to study and learning and who now gain graduation toward tomorrows which will take them in many directions, but never from Your presence. Suicide: O God, if we knew why, we would name it before You! Hear our plea for help; hear our plea for hope. We confess that we do not grasp the depths which drive one of Your children to end the life You began. We confess that faint stirrings of guilt, soft wondering about our own inattentions, and a simple unease all groan within us. Grant us a grace which will be sufficient for our own broken and breaking places.
