

Youth and Crime

The Third Edition of this definitive, best-selling text offers the most comprehensive and authoritative overview of youth and crime available. Two new chapters on Youth Victimology and Comparative and International Youth Justice have been added to provide critical analysis of issues such as institutional abuse, child trafficking, international childrens rights, and transnational policy transfer. The book also includes new material on antisocial behavior orders (ASBOs), gangs, gun and knife crime, early intervention initiatives, the respect agenda, restorative justice, and child imprisonment.
