

## Kansas City Chiefs Encyclopedia

Describing a storied football history that began 40 years ago, the Kansas City Chiefs Encyclopedia is the first book to capture the complete legend of one of the American Football Leagues charter members. Among the players who are profiled are Hall of Famers Buck Buchanan, Len Dawson, Willie Lanier, Jan Stenerud, Otis Taylor, and coach Hank Stram. There are also detailed sketches about the Chiefs appearance in the first Super Bowl in 1967 and their championship in 1970. Patterned after SPIs popular baseball encyclopedias on the Yankees, Dodgers, Red Sox, and Giants, the Kansas City Chiefs Encyclopedia is destined to become one of the most referenced books in any sports library.
