

# You're Grounded Forever...But First, Lets Go Shopping: The Challenges Mothers Face with Their Daughters and Ten Timely Solutions

Susan Shapiro Barash's provocative new book examines the most difficult challenges any woman faces when raising daughters. Sample chapters include: What color would you like that Prada bag in? (material indulgence) Do you need to be eating that? (fixations on food and weight) Of course you can drink when you're home with me (loose boundaries and rules) I know she's your friend but (underestimating female friendships) I'll just say you aren't feeling well (making excuses) And much more.
