

The Racing Angelettes

Ten year old Nicole loses her way, and finally kneels on a forest path, closes her eyes, and tearfully prays to God for her Guardian Angel to help her. Then she beholds a young man coming her way. But when bat-winged demons surround the little tent in the night, the Racing Angelettes, six winged luminous children, come to the rescue of Nicole and Luke, the virtuous young hiker who finds her in the deep dark woods by the sea, as he tries to help her through a sweeping mountain wilderness to the safety of her parents and civilization.
