Paper back Law school book LAW - BAR PREP 1L and 2L Law School: The 70% Essay Method By Value Bar Prep books Why do so few pass the CA baby bar exam? Because not enough minor issues are spotted. Add to that, not enough secondary issues and related issues are spotted. Add to that, almost no passive defenses are spotted. Add to that almost nobody feels safe applying normal common sense to facts. Which brings most FYLSE essays to around 60%, which means a good effort but lacking the persuasive edge to succeed. This book begins to correct all this, using an actual essay tutoring. When you finish it and start practicing what it teaches you will have a better chance to pass your exam.
