

The Conflict Management Breakthrough Journal: A Celebration of Your Success

The Conflict Management Breakthrough Journal is a workbook created especially for people who want to face conflict head on and be polite, but powerful, strong but flexible, and able to safeguard their best relationships without becoming a doormat. In Part 1: A Fresh Start, you take a snapshot a before picture of your Conflict Management skills. Do you give people the benefit of the doubt? Promise only what you know you can deliver? Think before you speak?. In Part 2: Breaking New Ground, you set yourself up for success by planning your Conflict Management goals and actions you ll take to reach them. Part 3: Soaring to New Heights helps you record your Conflict Management successes and think about how to create even more of them. You also plan to showcase these successes to the people who influence your success the most. IMPORTANT!Each Breakthrough Skill has its own Breakthrough Journal. And while many elements in each of the Breakthrough Journals are the same, they are all customized with examples and exercises for their particular Breakthrough Skill.You can use your own experiences and reading to fill out a Breakthrough Journal, but they work best as companions to the authors skill-specific Rapid-Read Handbooks™ such as Words That Work (for Confident Communication), Hot Situations, Cool Heads (for Conflict Management), and Step Out of the Box with a Bang! (for High Possibility Thinking).
