

Except Ye Become As Little Children: How I Learned Relationship with God Through My Son

When Aaron Gordon, a life-long Christian, began to seek a real and personal relationship with God that went beyond the norm, little did he know that this connection would begin with the reflections of his youngest son, Aaron, Jr. With the genuine love Aaron, Jr. showed him, he began to see a model of how we should relate to God as our heavenly Father. Through his son's innocent eyes and loving reasoning, Aaron Gordon began a journey towards a more intimate relationship with God - causing him to rethink all that society had taught him, while adopting the attitude, meekness, and faith of a child.
