

Every Day God: Heart to Heart with the Divine

When Takeko Hose was shot and paralyzed from the knees down, she and her husband, David, turned to prayer more fervently than ever. They received all they hoped for and more. Every Day God recounts the dialogues Takeko and David have engaged in with God for eight years. To them, God is akin to a warm and caring parent eager to nurture and love every child unconditionally. Moreover, with the right seeking, each person can access this divine source at the core of his or her being.
