

God and the Stream

God is on a journey. Where is he going? Join him as he searches for the sea. The sea, the sea, the glorious sea-is it real or is it just a dream? Glorious sea, End of our understanding, Beginning of our dreams, May I sleep with you tonight, Deep in your caress. May I rest in your tranquil depths, And hear the beat of your heart. May I know your truth, And the desires of your soul, Swept up in your currents.
