

Living Liturgy: Year C (2004): Spirituality, Celebration, and Catechesis for Sundays and Solemnities

Now includes a pronunciation guide! 2002 Catholic Press Association Award Winner! An annual resource for parish ministers, liturgists, pastors, and planning committees, Living Liturgy offers a practical means for reflection on and celebration of the Sunday Mass. Living Liturgy integrates spirituality and celebration, catechesis and pastoral practice, the ministry of the assembly and other ministries so that celebrating and living go hand-in-hand. Written by a pastorally experienced team with expertise in Scripture, spiritual direction, liturgy, and liturgical music, Living Liturgy emulates the reality of our Christian communities: that we learn from each other of the fullness of Gods mystery and by learning and worshipping together we enrich each other. In addition to pastors, liturgists, musicians, and ministers, Living Liturgy is beneficial for many members of a liturgical community, particularly if each has a personal copy so they might refer to it when preparing for the Sunday liturgy. Parents and teachers may simplify its content and share it with younger members of the community. Members of faith-sharing groups, liturgy planning committees, and RCIA catechumens, candidates, and sponsors will find it useful as the focus of weekly prayer and reflection.
