

No Green Card = No Matrimony: An Immigration Marriage Fraud and Life Disaster Prevention Guide for the Single, Established American Woman

No Green Card = No Matrimony is a guide for the smart, independent American woman who wants to believe her partner has the right motives for marriage...but cant seem to shake the warning signs that his intentions are disingenuous. Often witty and always truthful, the author speaks to those of us who have had relationships with foreign men and some of the pitfalls that can accompany it. Unfortunately, many intelligent women ignore red flags because they have waited until after theyve fallen in love to start asking important questions. How can you tell if your man truly loves you or is only in it for the citizenship? How can you listen to both your heart and your head? How can you give love and also protect yourself and your interests? Let this handy checklist be your compass, learn what you truly value in a relationship, and have a few laughs along the way.
