

## Love Finds You in Nazareth, Pennsylvania

They were strangers when they married, but they both long for love. Christian and Susanna had never met when they were chosen by lot to marry in a Moravian community in Germany. But in 1755, they traveled with a dozen other newly married couples to Nazareth, Pennsylvania, to help establish a Moravian borough and share their faith with the surrounding Indian nations. Susanna's heart warms toward her new husband even after she learns that he had wished to marry another woman in Germany. As war rages between the British and French Indians and their young marriage faces hardship, Susanna wonders if Christian will ever return her love.
