

## Love Thine Enemy (Love Inspired Historical)

The tropics of colonial Florida are far removed from Americas Revolution. Still, Rachel Folgers loyalties remain with Bostons patriots. Handsome plantation owner Frederick Moberlys faithfulness to the Crown is as certain as his admiration for Rachelbut for the sake of harmony, hell keep his sympathies hidden. After all, the war is too far distant to truly touch themisnt it?A betrayal of Rachels trust divides the pair, leaving Frederick to question the true meaning of faith in God and in country. Inspired by Rachel to see life, liberty and love through His eyes, Frederick must harness his faith and courage to claim the woman he loves before war tears them apart.
