

Luxe: The Luxe Series, Book 1

From New York Times best-selling author Ashley Antoinette, author of the Prada Plan series, comes a boldly fierce and strikingly dramatic novel, *Luxe*. Bleu Montclair knew as a young girl that she would one day escape the hard, unrelenting streets of Flint, Michigan. When her desperate prayers are answered in the form of a scholarship to UCLA, she knows she's struck gold. But soon after arriving, all her beautiful, bright dreams begin to fall apart. Endless temptations abound in the form of cars, clothes, booze, and drugs, and Bleu cannot keep up. When her roommate gives her the opportunity to make a lot of money fast, Bleu goes all in - and heads straight down a path of violence and addiction that only her newest protector, Iman, can save her from. Iman is used to the fast, unpredictable, high-rolling life, and it has always been enough until he meets Bleu. He finally has someone to care for who means more to him than all the money and power he could command. But love on the streets is never easy.
