

Malthouse: A Football Life

Mick Malthouse, a tenacious, hard-hitting defender soccer playerracked up 174 senior games for St Kilda and Richmond, including a Grand Final victory with the Tigers in 1980 and eight finals appearances in all. But it was as a coach of genius that Malthouse fired the imagination of the soccer world. After cutting his teeth at Footscray, twice he took teams from the bottom of the ladder to Premiership gloryfirst West Coast, then Collingwood. A staggering eight grand final appearances and50 finals in all mark an extraordinary record. Malthouse never made excuses for himself and was equally uncompromising with his players. Some fell by the wayside, but most prospered, and it was as a team builder and canny tactician that he shone. He soon became a colorful figure in the media, playing that game to his clubs advantage, but for all his antics he remained a devoted family man and loyal mate to a legion of friends.This bookis a thrilling roller-coaster ride through the hurly-burly of elite sport. It is also a sensitive and intimate portrait of the man behind the public figure: the compassionate man, the practical joker, the philosopher and author, the child-like enthusiast, the lover of humanity, and the mentor who turns boys into men.
