

## Hotel Europa France: Resource Pack: Business French for Beginners

This resource pack provides a flexible set of learning materials to support teachers in the business language classroom. The 70 photocopiable worksheets present a wide variety of language activities including realia-based tasks, listening activities linked to the cassette and roleplays. The materials cover listening, speaking, reading and writing skills and are designed to develop communicative competence in a variety of typical business situations. The resource packs may be used either in conjunction with the Hotel Europa coursebooks or as a free-standing resource to support general business language learning at beginner to lower intermediate level.
