

## Master of the Jinn: A Sufi Novel

A mystical adventure tale on the Sufi path of Love. Here is a tale set on the Path of the Heart, a mystical adventure wherein a modern-day Sufi master sends seven companions on a quest for the original Ring of Power, and the greatest treasure of the ancient world - King Solomons ring. It is the very same seal ring of a hundred legends, given to King Solomon by God to command the Jinn, those terrifying demons of living fire. By sea and across deserts, they are led by a strange faqir guide of many names. Through the mightiest of storms and into a lost city, the travelers come at last to the gateway of the Subtle Realm, the land of the Jinn. But the quest has a strange effect on everyone chosen to go: visions enter their dreams, remembrances and tears fill their hearts, and mysteries abound; unearthly storms and unending night, the Gates of Heaven open at last, and invincible demons of smokeless fire. It is a tale woven of ancient legends found in the Old Testament, the Talmud, and the Koran, and although it is set in the present, the search for the truth of the ring leads them into a circle of ageless destiny, where the companions discover not only the fate of the Jinn, but also the Path of Love and the infinite Mercy of God.
