

Baby Names: A collection of the most beautiful names for both Boys and Girls along with their meanings (Baby Names and Meanings Book 1)

Praise for this book... I really enjoyed this quickread. Very helpful in figuring out what to name our new baby. We already had his middle name picked out, but couldn't settle on a first name. Thanks! Loved learning the meaning of the names for girls. I think it matters and is a good idea to pick out a name that has true meaning. -- For expectant parents, deciding on a name for your child can be both an exciting and challenging experience. Since a name could very well be the very first gift you can give to your baby, you need to make sure that you spend enough time selecting a name that your child could be proud of when he or she grows up. In this edition of the Kindle Quickread series, Anne Merrick gives us a collection of 300 of the most popular and beautiful baby names for boys and girls, along with their historical background and meanings.
