

Global Investment Outlook: June 19th 2016

This is an essay I wrote in June 2016 about my Global Investment Outlook and viewpoint. In it I discuss the situation in Asia, Europe, Australia and North America. I also talk about many different industries; such as Oil, Transportation, the Sharing Economy, and Agriculture. If you are a current or prospective Investor in Stocks, Bonds or Real Estate, you should find this short book very interesting.
