

Veterinary Hematology: Atlas of Common Domestic and Non-Domestic Species

The long-awaited Second Edition of Veterinary Hematology: Atlas of Common Domestic and Non-Domestic Species serves as a major update to this essential introductory hematology atlas. In addition to a thorough update of all chapters, the new edition now includes coverage of laboratory animals and pocket pets, two new chapters devoted entirely to avian and exotic animals, and a PC compatible CD providing a wealth of additional hematological images. Now fully updated and revised, the Second Edition is the must-have veterinary hematology atlas for veterinarians, veterinary students, and veterinary technicians alike.
