

Miladys Aesthetician Series: Botox, Dysport, Dermal Fillers and Sclerotherapy

Botox, Dysport, Dermal Fillers and Sclerotherapy, part of Miladys Aesthetician Series, discusses the hottest procedures in the non-surgical aesthetics industry today. This resource looks into each and every aspect of these exciting procedures, including patient selection, patient satisfaction, and recovery time. All the readers questions will be answered and deep discussion of the differences and unique qualities of each procedure will lead to a complete understanding of these cutting edge processes. Many thorough case studies are included, as well as invaluable before and after photos that will allow the reader to see actual results, leading to an enhanced understanding of the material. Facial anatomy is also covered in the book, leading to an understanding of how the facial muscles interact and how the face ages. The reader will be able to determine the best course of action for each patient, how these techniques are better than surgery, and what the results will be. Chapters include the popular Top Ten Tips to Take to the Clinic feature, which offers professional aestheticians quick content review.
