An expanded collection of unusual prayers on everyday subjects. 4,500 words. Dear reader, as you'll discover quickly on the very first page, this ain't your grandfathers prayer book. This ain't about your religion or mine either, but about where we stand today, in the midst of the world, surrounded by real people and situations, eye to eye, bellybutton to bellybutton. This is about our humanity, how we really feel or perhaps should feel when we're confronted with adversity and when things go bump in all hours of the day or the night. These are uncommon prayers for some very common folks and situations. May you accept them as the bundle of heart roses that you can inhale once you push aside your notions of what a prayer is supposed to look like. May you be healthy. May you be safe. And may you be uncommon in your love. Amen!
