

MOB Rule: Lessons Learned by a Mother Of Boys

You know youve joined the MOB when you hear... My, are they all yours? Bless you! (Occasionally) Poor you! (Frequently) Lucky you! (Once) And of course, the ultimate: So ... are you going for a girl? Hannah Evans has three small boys. In her world, farting is so much more interesting than phonics, dam-building trumps damsels in distress any day and, astonishingly, she now instinctively knows the difference between a Frontloader and a JCB. Its a world of mud and just occasionally blood sweat and tears. It is also a world of indescribable joy. MOB Rule is the funny, honest and eye-opening account of Hannahs experiences as a Mother of Boys. Supplemented by recipes, quizzes, mnemonics and mysteries, it is the indispensable book for anyone who finds themselves adrift on a sea of testosterone, wondering when the lifeboat is going to show up.
