

Starting a Montessori Business

Have you ever wanted to start a Montessori Primary school to help three to six year old children reach their full potentials? Starting a Montessori Business illustrates and describes official presentations and their necessary manipulatives in a user-friendly format. Included are supply lists, cost estimates, and helpful suggestions for implementing the Montessori Method in a variety of settings. Sixty-six computer generated illustrations and forty-eight hand drawn illustrations guide the reader through the text. Written and computer illustrated by AMI Diploma holder Mary Da Prato with hand drawings by former small business owner Genevieve DeVaney Da Prato BFA, MAT, Starting a Montessori Business is an excellent resource to motivate entrepreneurs and Montessorians alike.
