

Morocco 1:1 200 000 Include inset of Casablanca, Marrakesh, Rabat, Sale, Tangier

One of the most stable and attractive Arabic countries for visitors is Morocco. The sea crossing from Spain is short, and travel facilities for visitors arriving by air are modern. We have updated our map to show the latest road improvements and have prepared insets of Casablanca, Marrakesh, Rabat/Sale, and Tangier. We have visited Morocco three times in recent years and have always found the people to be hospitable, the accommodations satisfactory, the food excellent, and the scenery superlative. We have printed the map on durable ITM plastic paper.
