

## Motherhood (Collected Works)

Motherhood is one of the four heartwarming and inspirational gift books illustrated by Sulamith Wulfing. No other artist has captured the wonders of nature, fairies and angels as eloquently as Sulamith Wulfing. Her paintings make this magical world apparent to the naked eye. This is a series of illustrated gift books that combine her paintings with beautiful works of poetry. Motherhood features tender paintings of expectant mothers as well as mothers with their children. The art is introduced by Sulamith Wulfing's son, and is dedicated to all mothers throughout the world.
