

MUTUAL FUNDS ARE CHEATING YOU!: The 7 BIGGEST investing myths on Wall Street!

This is what happens: You send your money off to some high-flying mutual fund company in Boston and hope for the best. But many times growth is not what you get. As a matter of fact, often you even lose money, and this is when the market is rising! You can't help but wonder, What is going on? This book explains how mutual funds cheat you out of your money.
