

My Reality: As It Appears at the Beginning of the Twenty-First Century (Paperback) - Common

Who are we? Where did we come from? Where are we going? In *My Reality*, author Stan Green examines and attempts to answer these three basic questions confronting humanity. Writing from the perspective of a well-read and educated person who has lived through the last half of the twentieth and the beginning of the twenty-first century, Green presents his ideas based on the study of both history and...
