

Mystics, Masters, Saints, and Sages: Stories of Enlightenment

Be inspired by these 34 unique stories of the moment of enlightenment. In each of the stories in this book lay spiritual gems waiting to be discovered by the sincere seeker. This is not just a dry text. These writings were authored directly by realized beings describing their own experience in crossing over from individual to cosmic consciousness. Such dramatic and immediate accounts will open your heart and mind to the possibility of your own inner peace, enlightenment, and self-realization. These stories have the power to transmit the state of these great beings, which can aid you in awakening to your divine nature.
