

Disasters of Love: Broken Hearts

Disasters of Love is a book of a mentally challenged couple and the disastrous love life of their twenty one children. Most of the stories in this book are based on unrequited and forbidden love. For various reasons love that end up in disaster. There are just a few happy-ever-after endings without a twist of sadness. Its intended for the readers eyes to be wet where they actually want to cry out. Readers will not be just reading pure words instead they will be experiencing the most emotional and sad or happy twist of love. Disasters of Love even though the stories are not real, it will help readers to understand that not all love are meant to have a happy ending
