

A Parents Guide to PlayStation Games: A Comprehensive Look at PlayStation 2 and Classic PlayStation Games (Parents Guides)

Featuring new reviews of the latest games, this book explains everything a parent needs to know about Americas most popular video game consoles: the PlayStation 2 and the revamped PlayStation One. This exhaustive guide offers parents different ways to cut through the hype with which games are marketed and clarifies the often-confusing video game ratings system. Tips on researching game content make this a valuable tool for parents, who will be able to choose the right games for their children.
