

New Baby 101 A Midwives Guide for New Parents

New Baby 101- A Midwives Guide for New Parents is the long awaited owners manual for those who are expecting or have recently welcomed a new baby. This comprehensive little book covers preparation for babys arrival and all aspects of care during babys first 3 months. Five videos are included demonstrating the basic skills of breastfeeding, bathing, changing and swaddling a newborn. The professionally produced New Baby 101 videos provide clear and friendly guidance for parents who are often anxious about handling and feeding their newborn. All advice provided by Lois Wattis - an experienced midwife, mother and grandmother - is based on reliable evidence and research, and her common-sense approach will both inform and reassure parents as they gain new skills and confidence. New Baby 101 is set out as nine basic topics which makes finding specific information quick and easy. New Baby 101 is also available as an eBook and a smartphone App. Over 50 of new parents most frequently asked questions are answered instantly. The Foreword written by renowned Australian parenting guru Pinky McKay commends Lois skilful way of explaining medical issues in easy to understand language, providing parents with clear information about common concerns.
