

The Parent Part of Grandparenting: A Guide for Today's Active Grandparents

For the many grandparents who are in the position of parenting a second time around, The Parent Part of Grandparenting is for you! Here you will find ways to re-visit several parenting skills you used in the past, discover comfortable ways to update them and be able to gently add new ones to your parenting tool-belt. Remember, we are older and more wiser today, so many challenges may be new in appearance, but certainly re-shapeable for success in the future. From one grandparent to another, you are encouraged to give these many suggestions some serious thought and an honest try!
