

7 Days of Italian Cooking - Gracies Guide to Everyday Meals (Gracies Italian Living Series Book 1)

7 Days of Italian Cooking - Gracies Guide to Everyday Meals, is a tribute to wonderful foods I enjoyed as a child and the special memories my mother and grandmother provided in cooking for our family. I never thought much about our family dinners as a kid, thinking they were just typical for an Italian family. Many years later, at a grade school reunion, I was told by classmates how jealous they were of the lunch I carried to school each day. 7 Days of Italian Cooking -Gracies Guide to Everyday Meals is as much about food for the heart and soul as it is about food for body. Filled with wonderful memories of growing up in an Italian American family and having the added pleasure of sharing a household with my grandparents. After my mom passed away I became the keeper of her recipes. Nothing fancy or overly skillful, just basic everyday meals that I am sure you will enjoy preparing and your family will delight in enjoying. Heres to creating you own memories!
