

Passion for Pinot: A Journey Through Americas Pinot Noir Country

The explosive ascent of Pinot Noir from relative obscurity to it-grape status is unprecedented. Silky, complex, and incredibly versatile, Pinot Noir is the perfect food wine; full of charm and intrigue, it drinks beautifully on its own. California and Oregon are home to Pinots greatest expressions in the New World. In *Passion for Pinot*, award-winning photographers Robert Holmes and Andrea Johnson and wine writer Jordan Mackay capture the grapes allure through portraits and profiles of the top Pinot producers and terroirs on the West Coast. Mackays engaging narrative chronicles the different stylistic approaches to growing and vinifying Pinot and tells the story of the dedicated winemakers responsible for elevating the grape to its exalted status. The evocative photography of Holmes and Johnson showcases the many landscapes, seasons, and faces of Pinot Noir in America. Throughout the book, quotes, facts, and maps help make *Passion for Pinot* an illuminating and entertaining guide to a singularly beguiling grape.
