

Big Batch Cocktails

Enough to Satisfy a Crowd! Great for your next party, this book is a must for any fun-loving host. Don't spend time mixing individual drinks one at a time; throw together a few big batch cocktails before the party, then join in the fun! For girls night, try I-Need-a-Margarita in a pitcher; Galloping Mint Juleps and a jug of Southern TEAser are perfect choices for an afternoon luncheon; when lounging in the sun, pull a batch of frozen Hard Berry Slush out of the freezer or serve up Super-Size Mai Tias; or use your slow cooker for a big batch of Hot Buttered Rum for a cool winter gathering. Bartending has never been easier!
