. . .readers will be sure to identify with the many awkward, hilarious, and just plain weird tales of twenty first century dating collected here in Next! Red City Reviews Finally, a book on dating from a mans perspective, as warped as that may be. Cathy (Literary Executive) Funniest romance book I ever read. Jill Youre the only guy I know who could have two stories about dogs eating your clothes on dates! Jenny When did modern dating get so complicated, and funny? Ultimately, Next! Is an honest, optimistic, and humorous portrayal of dating in the modern world that proves that even though we all hate dating, the payoff is ultimately worth it. Red City Reviews This book is hilarious. . .it would make a great movie. Greg (Film Executive) A refreshing insight to the male dating psychi. Sharon (Psychologist) Next!
