

# Neymar - 2015 Updated Edition: The Making of the Worlds Greatest New Number 10

Neymar is the youngest Brazilian ever to reach 35 international goals and time is on his side as he closes in on Peles long-standing record of 77. The Barcelona wunderkind has already scored more times for Brazil by the age of 22 than Rivaldo or Jairzinho did in their entire careers. Luca Caioli, author of bestselling biographies of Messi and Ronaldo, looks back on Neymars unstoppable rise with exclusive private access to his friends and family, coaches, teammates and adoring fans. Updated to include his headline-grabbing World Cup performances and the fallout from Brazils spectacular collapse in his injury-enforced absence, Neymar is the inside story of footballs newest star.
